

Love thy Neighbor Project Entry Form

October 1—3, 2010

We're planning a whole weekend to go out in the community and do projects for others—those who can't do for themselves, those who need extra help ... around their home, yard or in businesses, missions or shelters ... team up and help your favorite person or organization!

Do you have a project idea that you are willing to oversee & lead?

Please fill out this form and return it to Carolyn Otte's box
